

## **Curriculum Leo Grassi**

Over the last six years I've been sailing Atlantic Ocean, Tyrrhenian and Adriatic sea, North and Aegean sea, visiting amazing countries like Netherlands, Belgium, England, Spain, France, Croatia, Montenegro, Canary islands and Turkey.

I've been racing in Italy, England (Solent), North sea and France.

Sailing makes a lot of sense, sea even more...and wind is the best friend, but also the most demanding one.
